i-Jack EX 35

Mobile headphone-cable extension, 3.5 mm audio jack to 3.5 mm audio jack bush

With strong metal plugs and 24-carat gold-plated contacts, this three-star audio extension cable has been equipped to ensure good reliable connections and protection against corrosion. The flexible cable in the durable plastic sheathing is particularly stable thanks to the integrated nylon thread. The flexible ribbon cable has been sheathed with an extremely durable plastic and the inner conductor made from oxygen-free copper (OFC) guarantees stable and high-quality signal transmissions.
